

Exercise 4

You will hear six people talking about living in the city and in the countryside.

For questions **27–32**, choose from the list (**A–H**) which idea each speaker expresses. Write the correct letter (**A–H**) on the answer line. Use each letter only once. There are two extra letters which you do not need to use.

You will hear the recordings twice.

Now read statements **A–H**.

A My job required city living, but I moved to the countryside.

B We moved to the city for better transport, so I'm glad.

C I want to live in the countryside for a healthier life.

D I want to live in the city, but I know I can never do it.

E I like city life, but I moved to the countryside for a new job.

F I plan to live in the city for my higher education.

G I've always lived in the country and won't move.

H I couldn't live in the countryside as city life is much better.
